

TOP TEN LUXURY PORTFOLIO TOOLS TO KNOW

- 1. Website Exposure** – Because your company is a member of our exclusive program, your listings priced at or above the luxury threshold in your market are displayed on LuxuryPortfolio.com. Our unique website attracts over 3 million high-net-worth consumers annually, from over 200 countries/territories each month, giving your listing(s) unprecedented exposure to a global audience that may not have found it on your local website. The website, combined with the additional online and offline marketing and branding tools available to you through this program, enable you to more efficiently and effectively market your luxury listings to a targeted, high-net-worth audience.
- 2. LuxeAnalytics™** – LuxeAnalytics™ gives you valuable insight into the luxury consumer that is looking at your listings.
